All trash must be in plastic carts. If you require more service, please contact the City of Waller as 936-372-3880 to request a second poly-cart. The cost for the second cart will be \$3.60 per month. We will be happy to service Republic waste carts that you place at the street.

Please place all carts at the street by 7 AM with lids opening toward the street and the handles facing your house.

In addition, there will be a change in the way bulk item pick-up is being performed. Republic Waste performs a bulk pickup on the 1st Monday of each month. This service will be limited to four (4) bulk items per residence. To take advantage of this service, simply contact City Hall at 936-372-3880. You may contact City Hall by phone until Friday at 5:00 if you have items to be picked up.

The City of Waller requests that you not place items at the street until three (3) days prior to scheduled pickup.
