For all services

Payment by check which is post-dated, has been rejected for insufficient funds, closed account, or for which a stop payment order has been issued is not deemed to be payment for the utility.

- Payments provided via post-dated check are subject to applicable late penalties and service charges. Payments by mail should be addressed to City of Waller Utilities, P.O. Box 239, Waller, TX 77484 and must be postmarked by the due date of the bill to avoid late penalties, service charges, or becoming eligible for disconnection.
- A charge of \$25.00 will be assessed when a customer pays a service bill by check, the check is presented to the bank, and the bank does not honor the check. The Superintendent of Public Works is authorized to refuse payment of services by check on those customers with a history of three returned checks.

Customers whose service has been disconnected for non-payment should not attempt to turn service meters on or off as the Public Works Department staff is the only department that is authorized to do so. Should any meter that has been turned off for non-payment be turned on by anyone other than those persons authorized, or should a customer damage a meter in any manner, the account holder will be charged with meter tampering, and a penalty fee of \$100.00 will be billed. This \$100.00 fee must be paid in full before disconnected service will be turned back on.
