EXECUTIVE SUMMARY

September 26, 2017

To: Citizens of Waller
From: Danny Marburger, Mayor
Subject: Executive Budget Summary, FY 2017-2018

The City Council and staff have completed the operating budget for fiscal year 2017-2018. The budget format continues to be transparent. With this in mind, the City Council and staff has attempted to provide citizens with a clear understanding of the different funds and comparison of previous fiscal year. The staff started the proposed budget process in May, 2017 and has held four workshops with the City Council, addressing line-by-line the needs of each department.

The proposed fiscal year 2017-2018 budget was filed with the City Secretary on August 25, 2017, and the Notice of Public Hearing scheduled for September 26, 2017 was published in the Waller Times and the City website on September 13, 2017.

Upon receipt of the 2017 Certified Tax Rolls for the incorporated City of Waller from both Harris and Waller County Appraisal Districts, the calculations provided an effective tax rate of \$.4703 per/\$100 valuation. With increased revenues in sales tax, permits and court fees, the Council unanimously proposed to reduce the 2017 tax rate from \$.5211 per/\$100 valuation. The tax rate has two components: the Maintenance and Operation (\$.3339 per/\$100 valuation) and Interest and Sinking Fund to support long terms debts (\$.1306 per/\$100 valuation).

The 2017-2018 Budget reflects a 3% Cost of Living Adjustment (COLA) for the employees. The city paid health insurance program, for all fulltime employees, has a projected 27% increase for this fiscal year. The City of Waller continues to be competitive with salaries and benefits for all employees. Purchase of a sludge machine for the Sewer Department has been approved. Public works fund will add one new fulltime laborer position, and the part time court clerk will be made fulltime.

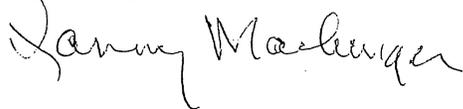

During 2017, the City Council purchased one major property for future expansion of city facilities. The building at 1018 Saunders Street was purchased for a total of

\$250,000 and was not financed so it did not increase the Debt Tax Rate for 2017-2018. The Debt Tax Rate is six cents lower than the previous year.

Overall, the City of Waller is in a sound financial position. The City's current credit rating is "AA" which is defined by Standard and Poor's as "a very strong capacity to meet its financial commitments". We will continue to monitor economic conditions and recommend adjustments to the budget that might be warranted.

I would like to thank the City Council and dedicated staff for their hard work and assistance in developing a more transparent budget. Lastly, I would like to thank the Citizens of Waller for your continued support and faith in striving to make Waller, a premier destination for families and commercial citizens.

Respectfully,

A handwritten signature in cursive script that reads "Danny Marburger".

2017 Property Tax Rates in Waller City

This notice concerns the 2017 property tax rates for Waller City. It presents information about three tax rates. Last year's tax rate is the actual tax rate the taxing unit used to determine property taxes last year. This year's *effective* tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's *rollback* tax rate is the highest tax rate the taxing unit can set before taxpayers start rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

Last year's tax rates:

Last year's operating taxes	\$1,034,427
Last year's debt taxes	\$384,846
Last year's total taxes	\$1,419,273
Last year's tax base	\$272,360,967
Last year's total tax rate	\$0.5211/\$100

This year's effective tax rate:

Last year's adjusted taxes (after subtracting taxes on lost property)	\$1,417,543
+ This year's adjusted tax base (after subtracting value of new property)	\$301,408,879
= This year's effective tax rate (Maximum rate unless unit publishes notices and holds hearings.)	\$0.4703/\$100

This year's rollback tax rate:

Last year's adjusted operating taxes (after subtracting taxes on lost property and adjusting for any transferred function, tax increment financing, state criminal justice mandate, and/or enhanced indigent healthcare expenditures)	\$1,677,859
+ This year's adjusted tax base	\$301,408,879
= This year's effective operating rate	\$0.5567/\$100
x 1.08 = this year's maximum operating rate	\$0.6012/\$100
+ This year's debt rate	\$0.1306/\$100
= This year's total rollback rate	\$0.7318/\$100
- Sales tax adjustment rate	\$0.2008/\$100
= Rollback tax rate	\$0.5310/\$100

Statement of Increase/Decrease

If Waller City adopts a 2017 tax rate equal to the effective tax rate of \$0.4703 per \$100 of value, taxes would increase compared to 2016 taxes by \$92,989.
