The construction valuation is determined by the greater of the declared valuation of the project or the valuation calculated using the International Code Council Building Valuation Data table, first update of each calendar year.

Example:

**Square Foot Construction Costs**

Group (2018 IBC)	IA	IB	IIA	IIB	IIIA	IIIB	IV	VA	VB
<b>B Business</b>	200.26	192.96	186.54	177.38	161.9	155.84	170.4	142.43	136.08

The Square Foot Construction Cost does not include the price of the land on which the building is built. The Square Foot Construction Cost takes into account everything from foundation work to the roof structure and coverings but does not include the price of the land. The cost of the land does not affect the cost of related code enforcement activities and is not included in the Square Foot Construction Cost.

The City of Waller, Texas (the “City”) has entered into a Professional Services Agreement with Bureau Veritas North America, Inc. (“BVNA”), as amended from time to time, to perform such professional services as:

1. Construction Code Services (including Plan Review and Inspections)
2. Fire Services (including fire service plans review, fire services inspections, annual fire safety inspections, and fire code plan review services and inspection services)
3. Health Services (such as regulation of food establishments and pools and spas)
4. Public Works Services (including inspections, plan review, and technical support)
5. Planning and Mapping Services (including base mapping, housing inventory, population, land use inventory, economic development, street system, water system, wastewater system, storm drainage system, recreation and open space, and capital improvements program)

The City has designated BVNA to serve as the City’s Fire Marshal and the City’s Building Official in support of the Department of Public Works.

Acting in the capacity of the City’s Fire Marshal and/or Building Official, BVNA will set the timing, process, procedures and method needed to enforce the City’s Ordinances, the International Building Codes adopted by the City, and State law.

This includes necessary permits and permitting procedures, application documentation and procedures, plan documentation and submission, plan review procedures, and inspection policies and procedures.

The City and/or BVNA reserves the authority to put an administrative hold on any process or procedure for a builder/developer that refuses to comply with the processes and procedures established by BVNA.

The City and BVNA reserves the authority to reject permits and applications due to incompleteness, inaccuracy, and/or administrative holds.

The City and BVNA reserves the authority to refuse review and inspections for reasons related to habitual noncompliance, false callings, and/or no preparation.

The builder/developer will be provided notice from BVNA and/or the City that they are in noncompliance with the processes
